Key Features of Proposed Network

- Routes CL1 and CL2 will operate approximately every 60 minutes. They will overlap between Queen Street and Crann Ard via O'Connell Street, Davis Road and Powerstown Road forming a 30 minute frequency on this section.

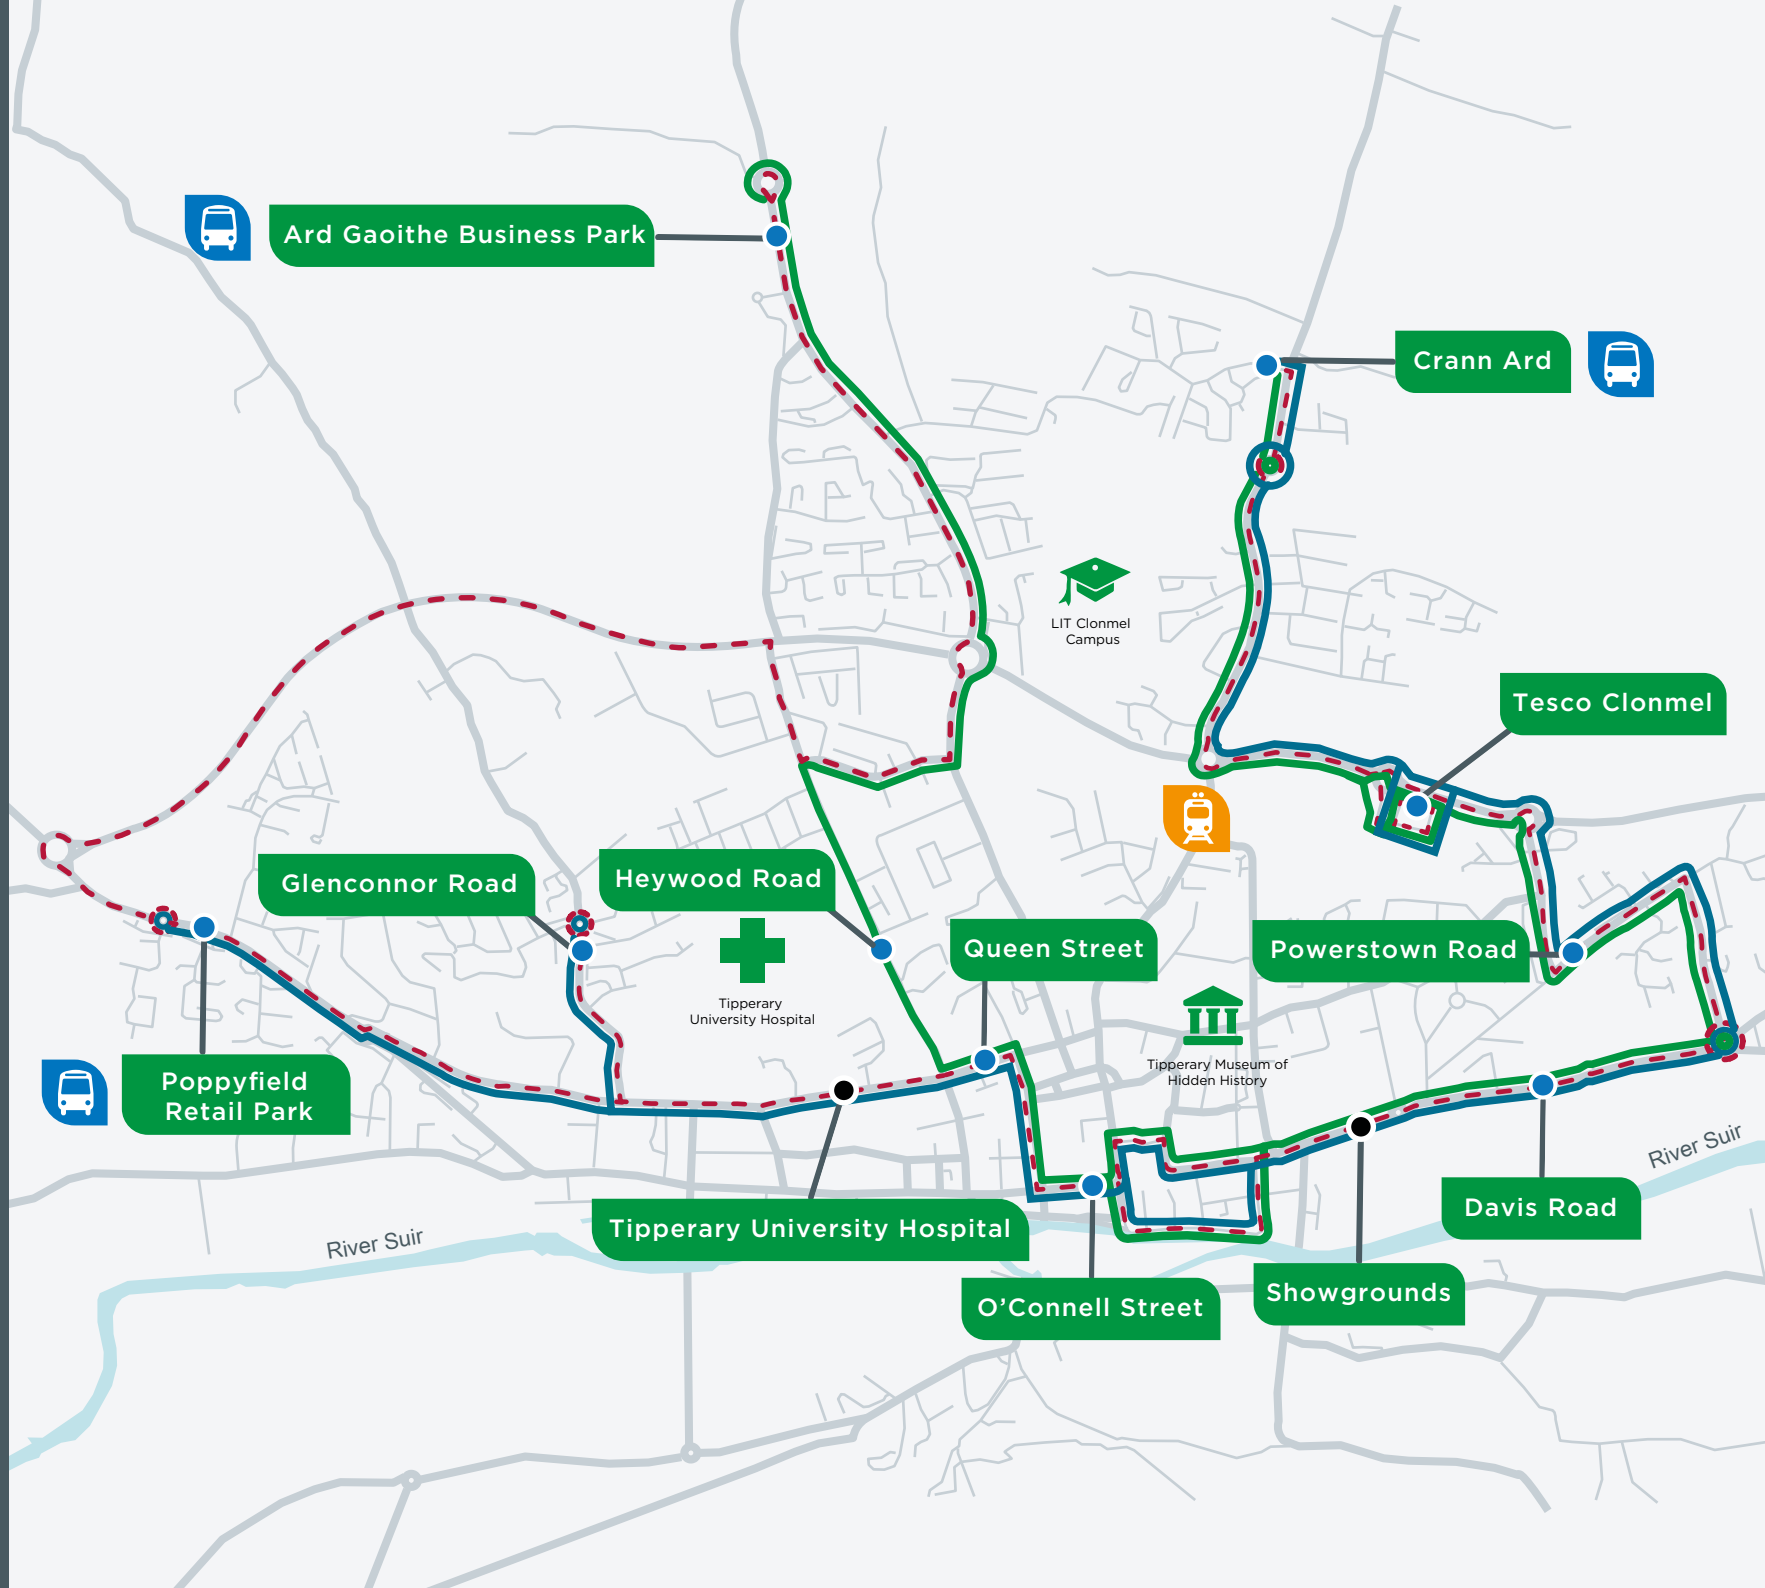

Fully accessible buses will be used to operate these new routes.

- Route CL9 will provide an early morning and late evening service to facilitate onward travel to Kilkenny, Dublin City and Airport.
- Improved connectivity to Tipperary University Hospital will be available on route CL1 via Western Road and on route CL2 via Heywood Road.
- The new routes will facilitate travel to the town centre, Poppyfield Retail Park, Ard Gaoithe Business Park and Carrigeen Business Park.
- Improved connectivity with the wider TFI Bus Network.
